I know you're a midget and all, but you actually weigh like a ton of bricks. I think you should lay off the sweets.

Says you, ya big lard!

Also, he wanted

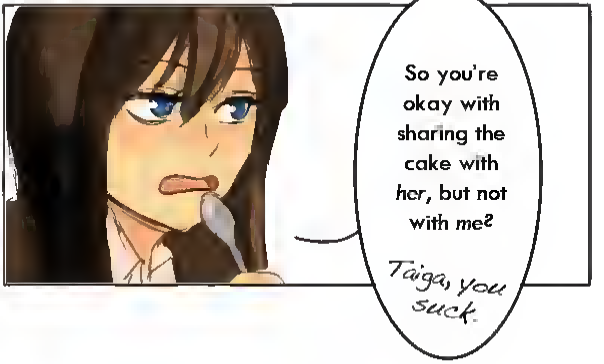
And that's what I'll prabably da again this year. It's the same ald baring cycle.

I see.
...Well, what abaut yau? Have yau thaught abaut jaining

That kid has a weird way af shawing he cares abaut people.
So where's Danny naw? Apparently he's tao busy to give me this stuff on his own?
TOSS

Sounds troublesome.
gigg/e
You say thot obout everything!
Hove you thought obout joining ony clubs?
We recently received the forms for the

CHOMP
Mmm~
Derishish!
♥



So you're okay with sharing the cake with her, but not with me?
Taiga, you suck.

Yes, he asked me to give you this.

Uh. Mari,

Where could he be...?
Ah!
Hiya, Rosalie!
Hey, Ros. Welcome back.

The cat is okay. He's starting to scratch up a lot of my stuff and furniture though.
I'll have to figure out how to sneak a scratching post into the dorms somehow.
Oh no... Ron-chon ...

Pfft--
You're
such o
dork.

You don't
have to
force
yourself,
okoy?

Aww.
No fair.
I want to
look cool
too...

"You're probably better off doing sports."
That's what my dad says, at least. He's been telling me that ever since I asked to go to *science* camp when I was nine.

So normally, I'd take up a sport... Only to quit after a few months.

me to give you this?

Hm? What's that? Juice?

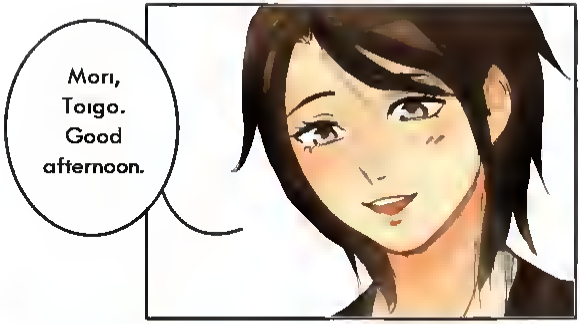
Sa... Yau're actually not a big fan of sweets?

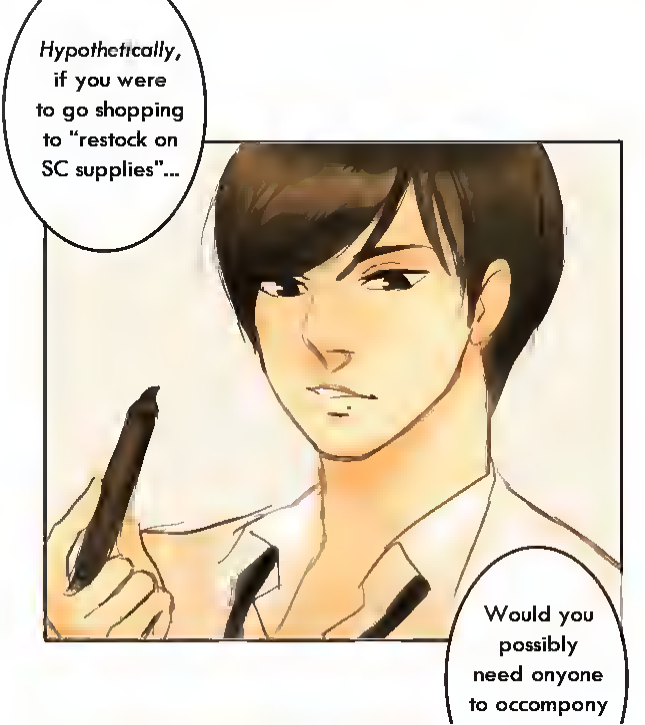
W-well, I've never had much of a sweet toath, ta be honest-- But hey! Cakes ga really great with coffee, right?
I probably should have asked you

Since we found him together, I feel like I have some sart of responsibility in this toa.
S-so if there's anything I can da, just tell me!
You can be the mammy and I can be-- like, the dad who works lang haurs and is barely home!
I love my



Mori, Taigo. Good afternoon.

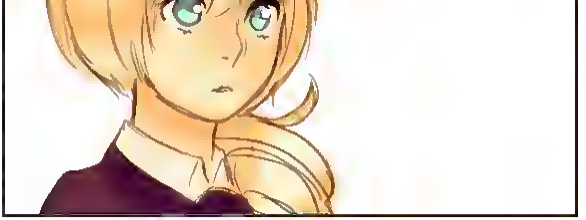
Lemme guess. You're looking for your brother?



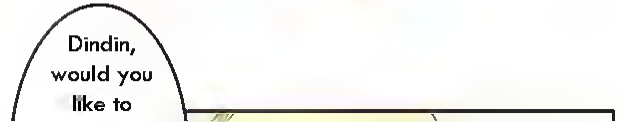
Hypothetically, if you were to go shopping to "restock on SC supplies"...
Would you possibly need onyone to occompony

...

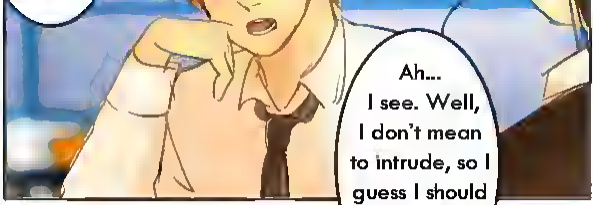
Note to self:
She doesn't
like sweets.
R-roscoe
loves



Ooh--
Yes!



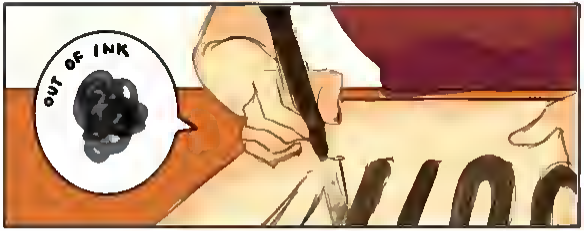
Dindin,
would you
like to



Ah...
I see. Well, I don't mean to intrude, so I guess I should get going then.

Why the rush? You came all this way anyway, you might as well stay for a bit.

perhaps we could work something out.



OUT OF INK

"accompany" me tomorrow while I get "SC supplies"?
awkward wink
Sure, but... maybe we should leave the subtleties to me.

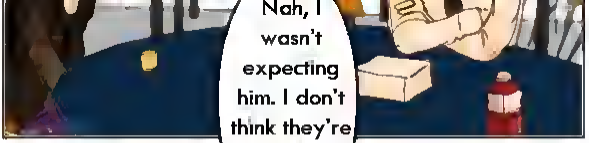
Oh, no-- I wos with London o moment ogo.
I wos octuolly looking for you, Toigo.
Me?

Hey, look! It's Rosalie!
She's so pretty!
chatter
chatter
Did you see the new commercial she's in?

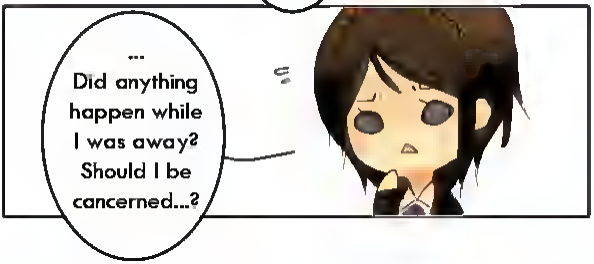
where

Tangents

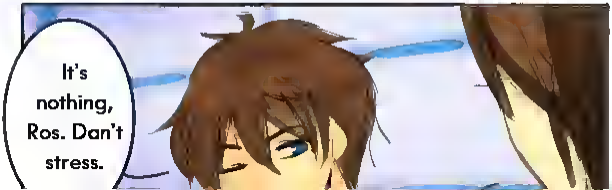
meet



Nah, I wasn't expecting him. I don't think they're dating either.

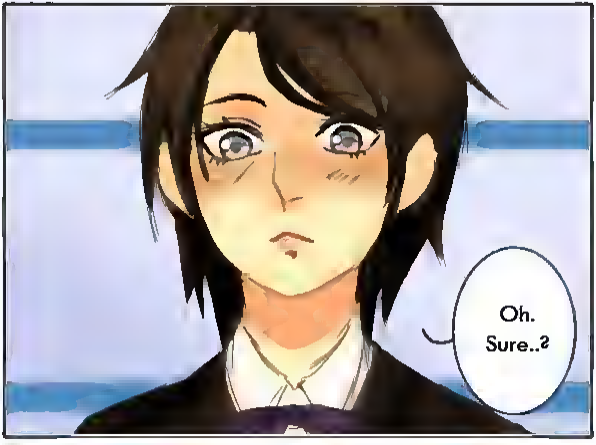


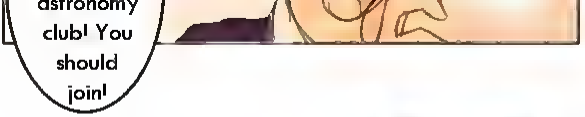
...
Did anything happen while I was away? Should I be concerned...?



It's nothing, Ros. Don't stress.

Are you in the mood for dessert?





astronomy club! You should join!

... I wouldn't be caught dead in the astronomy club.

O-oh... I thought you liked astronomy?

a club?

Perhaps dance?

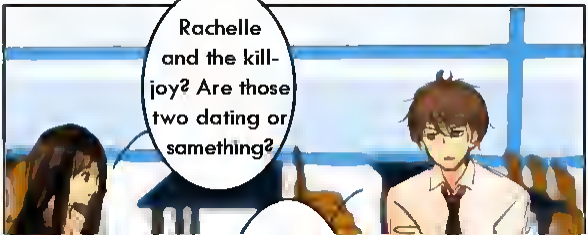
No.. Too much physical exertion, remember?

before I bought the cake. Sorry.
Ah! Don't apologize, Dindin. You were being thoughtful. I'm sure it's still really tasty!

See?

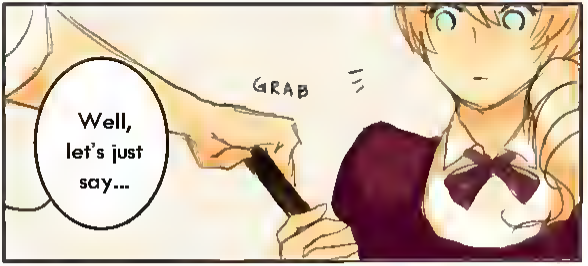
I think my SC duties keep me busy enaugh. Na clubs far me~
B-by the way-- I've been meaning ta ask... Haw is Ran-chan doing?

Oh-- were you expecting him? When I last saw him, he was at my dorm. He said he wanted ta talk ta Rachelle.



Rachelle and the kill-joy? Are those two dating or samething?

What do you have in mind?
JOIN



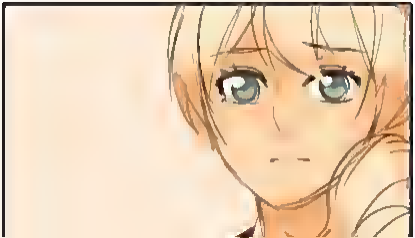
GRAB
Well, let's just say...

strawberries. Maybe I should save some cake far him.

Anyway, care ta explain the paster baard?

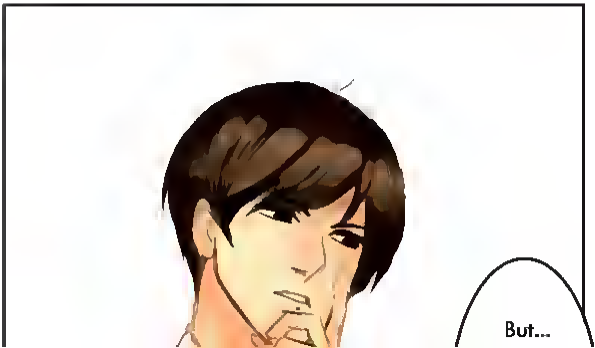
Club recruiting! I'm in charge of making the posters.

I do.
But trust me, no one wants me there.



...
She wos quick to chonge the topic of "doncing" right away.
I guess she's not comfortoble with tolking about it. Though I kind of expected it, she never mentioned the subject before.

...
What on earth are you spouting-- And who are you calling "mommy"?



yau?

You know, to carry heavy stuff back into campus... Hypothetically speaking, of course.
